**SHEILA KUEHL**  
SUPERVISOR, THIRD DISTRICT

Dear Friends,

Welcome to the third edition of Living Lightly in our Watersheds, now a web-based guide and a living document for all to enjoy.

No matter where we are, we live downstream. Protecting our natural watersheds and applying best practices to help prevent pollution and degradation of the natural flow our water takes to reach the sea involves a conscious effort by every one of us.

It is a great privilege to continue to serve the Santa Monica Mountains, and I hope you will join me and choose to pursue the many ways we can continue to be good stewards over the inheritance nature has entrusted to us for all the generations to come.

Sincerely,

A handwritten signature in black ink that reads "Sheila Kuehl".

Supervisor, Third District
